(1) Students accepted into Unicollege exchange programs must submit their first non-refundable deposit within 15 days of receiving their acceptance. This deposit secures the candidate's place in the program, including housing, accommodation, reserved class seats, and associated mobility services. The deposit is strictly non-refundable. If a candidate withdraws from the program for any reason, the allocated resources and assigned place cannot be reassigned. However, upon request, candidates may be permitted to defer their deposit to a future term, subject to approval by both Unicollege and their home institution.

(2) Check-ins must take place on the Thursday or Friday preceding the Monday on which the semester begins (9:00 a.m. – 6:00 p.m.). Any check-in occurring outside these days or hours will incur a fee of €50,00. Any student who experiences delays or unforeseen circumstances that may prevent them from starting on this date must immediately inform both the home and host institutions, which will jointly provide an appropriate resolution plan.

(3) All international student will return home by December 6th 2026, and can take online any remaining exams on the second exam session: December 17th - December 23rd 2026.

NB In the event of institutional needs, Unicollege reserves the right to amend any of the dates indicated above, with notification to participants.

In exceptional cases, students who may enter Italy visa-free (including U.S. and Canadian citizens) can attend Unicollege for up to 90 days, completing the semester without a study visa within the legal limit. Students are solely responsible for remaining within the 90-day period and the academic term; Unicollege is not liable for overstays, miscalculations, or irregular travel. Any missed classes or exams will be completed online, with instructions provided at the start of the semester.

Academics

Students must select courses totaling 15 credits. Exceptionally, and with home university approval, a 12-credit semester may be authorized.

Applicants must select 10 courses: 5 primary courses for the semester schedule and 5 backup courses in case of conflicts, cancellations, or unforeseen circumstances.

Courses have no prerequisites and may be selected from any school or department. Courses are generally in person and on campus; however, some may be delivered online from other campuses and remain valid toward credit requirements. Final course offerings, delivery mode, and the academic calendar will be confirmed at least one month before the semester begins.

By selecting courses, students confirm that their choices have been approved by the appropriate authority at their home university and acknowledge that they are fully responsible for their selections.

NB Our Italian language courses can be taken for credit or not for credit if they exceed the maximum number of credit of the student

Field Trip courses

Field Trips are credit-bearing academic experiences that may award credits in the following disciplinary areas: Art History (AH), Cultural Studies (CULSTU), Humanities (HUM), Italian Studies (ITLAN), Anthropology (ANT), Photography (PHOTO), Art (ART), Culinary Studies (CNARYSTU), and Interdisciplinary Studies (INTDISTU).

Upon approval from their home university, students must indicate the specific course code under which they wish to receive credit, in order to be assigned appropriate academic training and assessment aligned with that discipline. Each Field Trip includes:

- an ad hoc syllabus, tailored to the selected academic area;
- assignment to a designated instructor responsible for instruction and assessment.

Should a specific destination fail to meet the minimum number of participants, Unicollege reserves the right to activate an alternative destination, while ensuring full academic and thematic consistency with the approved syllabus. This decision is final and not subject to appeal. Full details of the experience—including travel dates, schedule, assigned instructor, and logistical information—will be communicated to students prior to the start of the semester.

An additional fee of **€ 200,00** applies and includes transportation, a light meal, and academic instruction.

Field Trip to Siena
(3 US Credits) – additional fee € 200,00 (includes transportation, light meal, instruction)

Field Trip to Pisa

Field Trip to Bologna

Independent Study Courses

Candidates who wish to pursue Independent Study courses must submit below a request by specifying: Area (e.g., Art History – AH; Cultural Studies – CULSTU; Humanities – HUM; Italian Studies – ITLAN; Anthropology – ANT) and Course level (e.g., 200, 300, 400). Once the course parameters have been defined, Unicollege will assign a designated instructor and issue a syllabus, which will later be recorded on the student’s official final transcript.

Independent study courses do not typically include regular class lectures; instead, they consist of weekly (or bi-weekly) meetings with the assigned instructor, either in person or online. These courses carry a standard value of 3 US credits, with the possibility of awarding up to 6 US credits, as jointly authorized by both the home institution and Unicollege.

Independent study courses are generally granted to students with a GPA of 3.0 or higher. Due to the individualized mentoring format, Honor Courses require an additional contribution of € 300,00 for a 3-credit course. Proposed area and course level must be indicated below and later confirmed by Unicollege.
